

BERANEK

OSCILLATOR
ORKESTER

PARDON

(Beranek)

I know everything about you
I'm watching every step you take
I'm your shadow, you're my star
For me there's a lot at stake

I will be so close
Every night and every day
I love every little thing;
What you think and dream and say

You are the reason, the one that makes my day
Don't let me down, let me know you in every way
I will be around beyond your dying day
And then I will be hunting another precious prey

It's the magic of your brains
And the magic of maybe
I'll bring you relief
I will never ever set you free

You would hate me if you knew
Why I love you
But I'll never let you know
How I own you

You are the reason, the one that makes my day
Don't let me down, let me know you in every way
You are my slave, the one that's gonna pay
Don't let me down, let me know you in every way
I will be around beyond your dying day
And then I will be hunting another precious prey
